

# Alvanley Primary School Camp Out Saturday 10<sup>th</sup> June

## !!!Come to our Family Camp!!!

It will be a fairly relaxed camp. You can arrive any time from 1pm and pitch your tent, please bring games and activities to share to entertain the kids through the afternoon. Children may bring bikes and scooters. At around 5pm we will cook a communal BBQ. The hall and toilets will be available to use but classrooms are strictly out of bounds. We will need to be off the field by 12 noon Sunday.

The cost for the night will be £10 per adult and £5 per school age child (preschoolers are free) and this will include burgers and sausages on the BBQ Saturday eve and bacon butties Sunday morning (and vege alternatives). In addition everyone will be expected to contribute to our communal meal Saturday evening by bringing either a salad, pudding, cake, biscuits, etc to share (see list on attached form). Please bring your own drinks, cutlery and crockery and anything else you want for breakfast. (We can use the kettle in the kitchen for hot drinks so you don't need stoves etc).

This is a family camp which means everyone needs to help with cooking, clearing up, entertaining the kids and even litter picking and cleaning the loos before we leave. Please volunteer from something on the reply form so I can make sure jobs are covered.

Alcohol is allowed but please be sensible, this is about the kids having fun with friends and families! Please ensure drinks are not left lying around and all empties disposed of appropriately.

I'm sure this will be a brilliant event but I'm afraid we do have a few rules to follow to keep everyone safe and follow school procedures:

- Children at camp are the responsibility of parents or adult charged with their care. The PTA or the school staff cannot take responsibility for children at this event.
- Please avoid bringing glass onto the field if possible (plastic glasses only please) and please use the toilets not the bushes! Our children have to play on the field, let's keep it safe!
- Please take ALL your own rubbish home with you – do not fill up the school skips.
- Vehicles may park on the school car park outside of the playground gate but for the safety of the children are not allowed inside the playground (excepting campervans which must be parked with an escort and not moved).
- No open fires.
- Sorry, but we cannot have dogs on the field

If you would like to camp with us please complete the form overleaf and return with payment by **26<sup>th</sup> May (before half term).**

In the event of a really bad weather forecast the camp will be cancelled and money returned.

Any questions or more info please ring. Karen Chalmers 07759 128272

**Yes please we would love to come to the school camp out:**

Name \_\_\_\_\_  
(Please complete form and pay for people wanting BBQ even if not staying the night)
