

Friends of Alvanley Primary School

Please come and join us for our

## FAMILY GARDENING DAY

# SATURDAY 21 APRIL 10am to 4pm

We need one final big push to make our front “wildlife garden” accessible, safe and fun for our children to use in the summer and need as much help as possible PLEASE.

If you can spare a day or even just part of the day please come along to our family gardening event. There will be gardening activities and games on the playground and field area for the children while adults can get stuck into the front garden. You don't have to have green fingers or know anything about gardening – we are all amateurs – just come willing to get stuck in clearing, digging, pruning, painting etc. If you really don't want to garden but are willing to help with kids activities or refreshments please come and offer that instead. The more people there the more we will get done!

Lunch will be provided, along with refreshments through the day.

Please wear long sleeves & long trousers, sturdy shoes and gardening gloves. It would also be really helpful if you can bring gardening tools: spade, rake, fork, trowel, pruners, watering cans, even wheelbarrows would be useful! Kids will need old clothes and trainers.

In order to organise lunch and to gauge how much work we might be able to complete I would be really grateful if you could fill in the attached reply slip and return BEFORE EASTER IF POSSIBLE (alternatively reply on facebook or by text to 07759128282).
